

Tayebeh Ezzatabadi Pour

English Tutor & Data Analyst (in training)

 tayebeezati@outlook.com |  Telegram: @CodeLingoo | 

Website |  LinkedIn |  GitHub |  Shiraz, Iran

Profile

Statistician and Data Science MSc graduate (Tarbiat Modares University). Teaching English (Beginner→Advanced) with a focus on speaking and academic skills. Building real-world projects in HTML/CSS and GitHub Pages, plus handling beginner-friendly data tasks (cleaning, simple analysis, charts) using Python and Excel. Open to freelance tutoring, small website builds, and data/statistical assistance.

Skills

- **Teaching:** General/Academic English, Speaking-focused, Curriculum design
 - **Web:** HTML, CSS, Responsive basics, Git/GitHub Pages
 - **Data:** Statistics, Excel, Python (pandas, matplotlib – learning)
 - **Tools:** VS Code, Google Colab, Canva
-

Experience

Private English Tutor (2024 – Present)
